

Stallari Email List Minutes of decisions reached during Sept 2006

All Stallari members are on list.

Nordskogen has requested and been given permission to host an event for historical combat on the second weekend in November 2006.

Nordskogen has requested and been given permission to host Twelfth Night on the second weekend in January 2007.

The Barony of Nordskogen will be hosting the Known World Academy of Rapier in September 2007.

Kit Marik will be the next kingdom Webminister.

Schattentor has requested and been given permission to host Twelfth Night on the second weekend in January 2007. This gives two groups permission for the same weekend, but it was decided that, since the groups are 600 miles apart, this would not be too much of a problem.
